- lots of SMILES ☺☺☺☺☺☺

Please bring these supplies with you to our Open House.

2nd Grade Families,

June, 2019

We are so excited to have your child coming to 2nd Grade next school year. Please understand that the jump from 1st to 2nd Grade is a big one. The children are expected to be able to work more independently in 2nd Grade. We believe one of the most important things for children to develop is personal responsibility. It will be your child's job to remember to return assignments and other materials on time.

If your child does not know their addition and subtraction facts to 10 fluently, please spend time this summer practicing them. If your child does not yet know how to tie his/her own shoes, please teach them how this summer. The children will earn one of their first Pride Tags for tying their own shoes for us in September. They are also expected to know how to read the clock to the hour and half hour and identify all of the coins. And most importantly keep reading ALL summer!

See you in the fall!
