Central Issues of the Merger Study

• Might student post-graduation outcomes be improved if there were a wider range of courses available and staff with different areas of expertise to teach them?

• Is it possible to enhance or improve educational outcomes for ALL students, including student success in school as measured by achievement data, graduation rates, drop-out rates and post-graduation plans, at similar or reduced costs to taxpayers?
Role of the Boards of Education: the Final Decision Makers

A. Invited to attend all meetings, but as listeners who can report back to other Board members
B. Invited to attend a separate focus group meeting (a public meeting)
C. Invited to offer feedback, ideas, and such through Mr. Lictus, not directly to consultants or committee members
D. Serve as the final decision makers based on the report and its recommendations
Role of the Superintendent in Relation to LDA Team

• Is the direct contact person for information
• Gathers data requested by team members
• Keeps his boards and the public up to date
• Sets up and/or assists in setting up appointments with staff and groups to be interviewed
